To help us assist you now and in the future with training and support, please could you answer a few questions about your existing business:

	Yes	No
I already sell digital dictation equipment from various manufactures		
I already sell analogue dictation equipment from various manufactures		
I have not been involved with digital dictation due to the technology barrier.		
There is a good market for digital dictation in our business range of products		
I repair and service business equipment e.g. Fax, Copier, dictation.		

Please complete and return by Fax, e-mail or post. As soon as we receive your application we will send you all the required information for you to begin placing orders. If you have any questions or queries, please do not hesitate to contact us.
